WHAT DO I PAY FOR VILLAGE SERVICES?

Though the Village collects all the taxes, we only keep a small portion. The portion of property taxes the Village keeps are used to provide police and fire protection, refuse and recycling collection, snow and ice control, leaf and yard waste collection, routine street maintenance, sidewalk and alley maintenance, street and traffic lighting, library services, park facilities and maintenance, building inspection, election administration, and other miscellaneous Village services. A homeowner of a home assessed at \$163,000 would pay approximately \$1,375.85 in property taxes for Village provided services. The total monthly cost for Village services on a \$163,000 home is approximately \$114.65 allocated to departments as follows:

<u>Department</u>	<u>Annually</u>	<u>Monthly</u>
